Melissa Ohden

Keynote Speaker

Melissa Ohden is the survivor of a failed saline infusion abortion in 1977. Despite the initial concerns regarding Melissa's future after surviving the attempt to end her life at approximately seven months gestation, she has not only survived but thrived.

In 2012, Melissa founded The Abortion Survivors Network (ASN). ASN seeks to educate the public about failed abortions and survivors while providing emotional, mental and spiritual support to abortion survivors. Her life and ministry is featured in the award winning prolife documentary, *A Voice for Life*.

After years of searching for her biological family and offering them forgiveness for the decision that was made to end her life, Melissa's story, and her life, is so much more than one of survival. It's a testament to the beauty of God's grace in our lives, and the transformational power of forgiveness. Fulfilling the purpose that she believes God set out for her, Melissa is truly a voice for the voiceless.
